IMPORTANT INFORMATION

We aim to provide our customers with an outstanding service and make every effort to clean your part(s). The success rates for cleaning parts using Ultrasonics is extremely high. We can usually clean more than 99% of all parts we receive. However, we cannot guarantee that we will be able to clean your parts successfully.

TERMS & CONDITIONS

- PLEASE MAKE CUSTOMER AWARE OF THE T'S & C'S

By ticking the box below, you agree with the information provided and authorise the part(s) to be cleaned using Ultrasonics. Your part(s) will be subject to visual inspection prior to cleaning and should any problems with the part(s) become apparent, you will be notified.

Once your part(s) have passed the visual inspection, they will be cleaned using Ultrasonics. This process may identify faults with your part(s) that were not apparent when visually inspected. By ticking the agreement box with our Terms and Conditions your statutory rights are not affected.

Tick here if you would like to receive our Newsletter and Updates.

This T's & C's agreement box MUST be ticked by customer before cleaning can take place.
